## About Us

Solitware Plastic has been providing the Indian market with excellent sanitaryware for more than 20 years. Since our inception in 1998, our main objective has been to provide pristine, premium-quality products without updating expensive price tags. We work with a pledge to provide our clients with extremely high-quality products at an affordable price range. This is the reason, we have earned a distinguished position in the industry as a trustworthy manufacturer, and supplier of Anglo Indian Light Seat Cover, Double Flush Cistern, Carol Dual Flush, Sleek Flush, etc. Furthermore, we are also a well-known specialised wholesaler with long-standing associations with a number of reputed manufacturing companies in the country.

We keep a massive inventory of a wide range of bathroom accessories, hardware and other related products. We have constructed a large warehouse to keep all these products. With support of our stock, we regularly take and fulfill demands of customers.
